

Christmas message

Christmas is to go. Jesus goes to us. From Heaven Jesus came down. He was born. Jesus is with us. All the Christmas characters went on their own to perform and to protect, to offer and to obey. The Blessed Virgin consented and cooperated to the message of the archangel Gabriel. Joseph accepted Mary and with her obeyed and went to Bethlehem, and again to protect the baby Jesus fled to Egypt. The three Kings went, travelled to find Jesus. The shepherds went to pay homage to baby Jesus in the manger. Christmas is to go. Let us go to God, go back to God. Let us go, return to our family, be home to our parents. Let go back to roots, as our roots being Filipinos are being hardworking, being honest with our works and being helpful to one another. This Christmas season let us go, going up to improve our life, to make their lives safe, successful and very much alive.

Christmas is to give. God the Father gives us His only Son, Jesus. The Blessed Virgin Mary gives her 'fiat' to God. Joseph gives his time, sustenance and all provisions to Mary and Jesus. The three Kings give their gifts of gold, myrrh and frankincense to Jesus.

This Christmas let us give our contrition and our very selves to God. Let us give: as children our respect and obedience to our parents; as husbands and wives fidelity and undivided love; as employees honesty and dedicated works; as employers fairness and just recompense; and as leaders transparency and sincerity with our duties.

This Christmas let us go forward, let us give the best and our country will have the best gifts from us.

Thank you so much and God bless,
+RCS
